Remarks

Claims 1- 52 remain in the case.

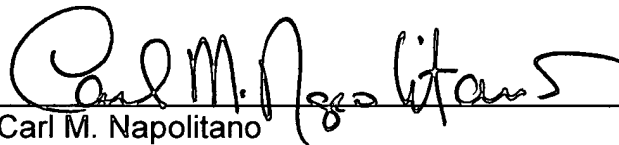

New claims 53 and 54 have been added.

Drawing sheets 10/15, 11/15, and 13/15 have been replaced with attached Replacement Sheets 10/15, 11/15, and 13/15 including modified FIGS. 21, 23, and 26. The slit (130) identified within each drawing has been modified to more clearly distinguish the slit (130) from a slot (126). Such a distinction is fully supported by the specification as originally filed (see paragraph 38, by way of example).

No new matter has been added by this amendment.

If further prosecution of this application can be facilitated through a telephone conference between the Examiner and the undersigned, the Examiner is requested to telephone the undersigned at the Examiner's convenience. If any fees are required in this matter, the Commissioner is authorized to charge Deposit Account No. 01-0484.

Respectfully submitted,

Carl M. Napolitano
